

Project Update 2026-2027

SCRIPT WRITING

TV show pilot

The Wages of Sin

Logline: When an undercover operative is threatened by a sadistic underworld kingpin, only the help of a sentient AI can help her track down and destroy him.

The first episode in a multi-season arc featuring secret societies, global crime syndicates, mech suits, and AI beings.

Feature

Children of Angeles

Logline: The inimitable life of a beautiful artisan in 2020s Los Angeles and the three people who love her.

A mashup of *Children of Paradise* (Carné, 1945) and *Stalker* (Tarkovsky, 1979).

Award-winning short

Wen Lambo

Logline: When a young person initiates a cheeky plan to rip off a luxury car at a dealership, she unwittingly starts a Rube Goldberg Machine of horrific consequence.

This short script has earned four laurels, including best screenplay.

Proof of Concept

4.U.M.

Logline: Collaboration on an edited volume brings together two professors who are otherwise unable to otherwise express their affection for one another.

A definitive love story set in the beautiful city of San Diego.
